

ArtShare

Concept

Make Art Great Again

#SELFIE

- Key Functions
 - Sharing and creating art
 - Creating government revenue for art funding
- Target User
 - Artists
 - Public
 - Needs:
 - Artistic expression & evaluation

How?

An artist draws a sketch (up to 5 lines)
Another person (up to 10 people in a row) draws on top of the sketch

Evaluation of the pieces

Selling of the art pieces (public)
Revenue through ads (APP)

Aim of the concept

Stimulate artistic expression

Encourage (constructive) art evaluation

Create revenue for future artistic projects

Create good financial ground for public art development
